### Coming in from the north of Dunedin:

Travel into town on **State Highway 1** toward the City Centre (this becomes the one-way system **Cumberland Street**). Stay in the left hand lane. Turn left down the third street on the left, which is **Dundas Street** (There is a dairy on the corner). Then turn into the first street on the right which is **Castle Street**. The carpark is located on the left hand side of the street outside 547 Castle Street (carpark number located on a plaque on the building).

### Coming in from the south of Dunedin (and from the airport):

Travel into town on **State Highway 1** toward the City Centre. You will find yourself on the one-way system. Stay in the right hand lane (this eventually turns into **Great King Street**). Keep on travelling past the City Centre on the one-way system then turn right into **Dundas Street** (this is directly after a rugby field). Go straight ahead at the traffic lights then turn down the first street on the right which is **Castle Street**. The carpark is located on the left hand side of the street outside 547 Castle Street (carpark number located on a plaque on the building).
